### OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 6 December 1961

STAT

1. [redacted] Met with Mrs. Baumgardner, in the office of Representative Albert Thomas, to discuss a letter which their office had forwarded to us from [redacted]

STAT

STAT

[redacted] I advised Mrs. Baumgardner that this organization was known to us but that we preferred not to comment in writing on it. See Memorandum for the Record for details.

STAT

2. [redacted] Mrs. Mary Miller, of the Senate Preparedness Investigating Subcommittee staff, called and said the Navy had brought to the attention of their staff two movies "Captured" and "Resist America: Aid Korea". Mrs. Miller said the staff would be interested in having these films, which they understood belong to the Agency, made available on a loan basis. I advised Mrs. Miller that I would look into this and be in touch with her.

STAT

3. [redacted] Mr. Edward Heroux of Congressman William T. Murphy's office (D., Ill.) telephoned saying he would like to arrange an appointment for certain people with Mr. McCone. The people were [redacted]

STAT

STAT

[redacted] I explained it would be far more appropriate for these gentlemen to deal with the appropriate technical individuals in the Agency and, therefore, gave him Mr. Garrison's name and telephone number. This seemed satisfactory to Heroux and Garrison has been advised.

4. [redacted] At the request of Jim Hunt who had received a telephone call from the FBI, I talked with Mr. Follom in the office of Senator Ellender. Follom stated Ellender had forwarded 110 magazines of film which were presently in process at Eastman Kodak but Ellender wished these made available to the Agency as soon as possible. Follom will advise when they are ready.
